

Oyster Specials, 1st Friday of each Month...

Indiana wants you to be part of the stunning setting that is Cottesloe Beach...

Come along to Indiana on the first Friday of every month to enjoy oysters, freshly shucked right in front of your eyes, on the new terrace area, by our very own chefs.

What better way to say goodbye to the working week and kick-off your weekend, than at Indiana, right on Cottesloe Beach?

Oysters will be freshly shucked for \$1.50 each, or only \$18 per dozen!

This offer is only valid during the evening, from 5:30 - 7:00pm

Enjoy these ocean delicacies whilst relaxing on our brand new terrace with beach chairs, lounges and decking. Drink specials will also be on offer, and may include cocktail, wine and our very own, specially-brewed Indiana draught beers.

Oysters will be served natural, with a selection of condiments, including fresh lime or lemon, Tabasco, shallot red wine vinegar, and the likes - you dress your own.

You know you're doing alright when you've slurped down a few fresh oysters, overlooking the sunset with a nice cold one in hand!
