

This year marks Park Hyatt Sydney's 20th birthday celebrations and to commemorate this milestone, it is offering you and your friends a bottle of Veuve Clicquot Champagne with their compliments when you dine at the iconic waterfront restaurant **harbourkitchen&bar** on your birthday*.

With a spectacular backdrop of Sydney Harbour, what better way to treat yourself on your birthday than by indulging in great company, an exquisite three-course dinner from the à la carte menu prepared by the hotel's executive chef Andrew McKee, fine wine and a special gift of Veuve Clicquot Champagne.

Positioned between the world-famous Opera House and Sydney Harbour Bridge, Park Hyatt Sydney offers a sanctuary of luxury and is perfect for celebrating special occasions and luxury getaways.
