Grand Riesling Dinner

7.00pm for 7.30pm

The final event of the 2012 Frankland Estate international Riesling Tasting is a gourmet riesling dinner at Glass Brasserie, one of Sydney's leading restaurants. A degustation menu prepared by chef Luke Mangan, features five courses matched with many of the world's great rieslings. Mangan's food, which he describes as 'clean and light with a contemporary twist' is inspired by a culinary journey through Lyon and Paris. The delicacy, virtuosity and structure of the Riesling grape is an ideal match for the purity and elegance of Mangan's flavours.

Glass Brasserie's group sommelier Kim Bickley has been a passionate advocate of riesling and has been nominated as a finalist in the Frankland Estate & Cellarhand Wine Distribution Riesling Scholarship.
