

## **bells at killcare wine list**

I am passionate about this wine list

It is an accumulation of influences from 30 years experience in the wine industry

With the most recent being the result of a partnership with Stefano Manfredi

Bringing together the joy of Italian wine and food

It was Len Evans who said that he never drank great wine by himself

And that the real joy of great wine was in the sharing

It is hoped this wine list assists in a great sharing experience

Brian Barry

## MATES PAGE

### **"The Brokenwood Culture"**

In the old French tradition Brokenwood appoint a chef for each vintage.

2011 saw the appointment of Jody Evans the daughter of the late and great wine man Len Evans.

The Vintage Crew consists of an eclectic collection of Brokenwood regulars and a hand-picked group of budding International wine makers. From this melting pot the **"Brokenwood Culture"** is produced.

All meals are provided for the crew with particular focus on Lunch when wines relevant to the production of the day are presented to inspire and educate all; what better excuse!

Iain Leslie Riggs heads up the organization; and is an old mate (one year older in fact)

PJ Charteris is the artisan in the shed making the stuff.

And the following speak for themselves; enjoy! - Brian Barry
