

est.

Part of the est. restaurant experience is enjoying our exemplary selection of wines. We are committed to sharing our passion for wine with you and to facilitating a choice of wine that suits your occasion, taste and budget – always with the aim of creating perfect pairings with Peter Doyle’s acclaimed food.

Our French born group sommelier, Franck Moreau, compiled and directs the wine list. He has worked in a string of Michelin star restaurants including La Rotonde in Lyon and La Tour D’argent in Paris, and at Gordon Ramsay at Claridge’s and Marcus Wareing at the Savoy Grill in London.

In July 2009 Franck was successful in passing the advanced certificate of the master sommelier program in London, making him eligible to sit for the final qualification next year.

Tristan Habeck oversees the wine list as head sommelier of est. Having nurtured his expertise in some of Sydney’s finest restaurants, he is now here to answer all your questions and service all your wine needs. Franck and Tristan’s passion for food, coupled with their love for both old and new world wines, has resulted in a diverse and constantly evolving wine list.

Within the pages following you will find a superb selection of the most celebrated vintages, along with the greatest examples of wine styles from major producers and a range of boutique wines and uncovered gems from around the world. You will also find excellent examples of organic and biodynamic wines that are highlighted with in **green** for organic wine and **purple** for biodynamic wines.

We take great care and pleasure in assisting guests to select the perfect wine for their dining experience; please let us indulge our passion and ignite yours.
