# SOMMELIER'S SELECTION

## **Rockford Black Shiraz**

NV SA \$175

A unique wine style to Australia that, for me, represents the skill and imagination of our winemakers. This is a blend of the basket press shiraz vintages converted into a marvellously generous opulent **sparkling** red. This wine has fantastic mouth feel mousse with lush, rich, ripe, gripping fruit. Not a drink for the faint hearted sparkly drinker.

## **Devil's Lair Margaret River Chardonnay**

2011 WA \$82

Devil's Lair is an exquisite, beautifully maintained vineyard, which from its earliest vintages has developed a great reputation for the classic Margaret River varieties – Chardonnay and Cabernet Sauvignon. There was a very good start to the season with consistent rain. A warm spring and summer produced great conditions for ripening. The resulting grapes had enormous intensity of fruit.

Acknowledgement to Winemaker

## **Leeuwin Estate Art Series Margaret River Cabernet**

2009 WA \$99

This Cabernet Sauvignon from the famous Margaret River winery receives high praise from the critics and judges alike. It drinks beautifully now with its generous flavours of cedar, blackcurrant and spice. On the nose you'll find violets. Elegant and lingering flavours of spice and licorice, combined with the spicy cedary oak, should be considered compulsory drinking with lamb.

## **Serafino McLaren Vale Shiraz**

2011 SA \$58

Without a doubt the best value-for-money Shiraz on our list. This wine shows classic McLaren Vale characteristics of luscious fruit with cherry ripe flavours. It has great structure and balance that makes this wine drink well now, but also has the potential for cellaring. This wine goes well with our Wagyu beef for a night of true decadence.

## **Chateau Reynella Vintage Port**

1976 SA \$180

The forgotten port, vintage, that is, as opposed to tawny. This wine is delicious drinking with its lovely cream texture of rich, ripe, plummy fruit with all the benefit of oak interaction and bottle age. Beautiful with cheese, in particular brie, and creamy cheeses, even blue brie styles. A great finale to a meal with an aftertaste that will linger all of the way home.

**Clyde Bevan**

# THE CONNOISSEUR COLLECTION

## SOMMELIER'S GUIDE

- ! Drinking very well now
- ✓ Drinking well now, but will improve with age
- Can be consumed now, but will improve greatly with age

There is no such thing as a bad vintage,

# SOMMELIER'S CONNOISSEUR SELECTION

## **McWilliams Mt Pleasant Lovedale Lower Hunter**

### **Semillon**

1996 NSW \$155

One of the most remarkable Semillons ever made in Australia. The bouquet and palate described by James Halliday as “an almost impossibly complex bouquet with toast, lemon zest, grilled nuts and a tinge of honey. The palate is long, harmonious, bone-dry with nutty, tangy flavours, and perfect balance; exceptionally complex, yet almost feather light.”

## **Bodegas Vega Sicilia Unico Tinto Fino Cabernet Merlot**

### **Malbec Albillo**

1970 SPAIN \$2000

Certainly Spain's greatest wine. Along with Château Pétrus, Penfolds Grange, and Romanée-Conti this ranks with the world's best. Even at thirty years of age this blend has generosity and complexity to only be marveled at. It will continue to age for many more decades. This wine is unique and idiosyncratic. It has been described as truly remarkable. It drinks exceptionally well now and one can only marvel for its future.

## **Orlando Jacaranda Ridge Coonawarra Cabernet**

### **Sauvignon**

1992 SA \$200

Allow this wine to breathe in the glass and you will be rewarded with a luxurious wine that is multi-layered. It has a complexity showing spice, blackberry, fine grain tannins, an earthy pungency and a depth of flavour that few wines are able to exhibit. This wine drinks very well at the moment, and, I believe, represents excellent value-for-money in comparison with many younger wines that are not in the least bit approachable in their development.

## **Penfolds Bin 90A Coonawarra Cabernet Barossa**

### **Shiraz**

1990 SA \$950

A vintage year has produced a wine that stands in the shadow of Grange, but make no mistake many aficionados see it as Grange's equal. Immensely concentrated in every aspect. Totally mouth filling with powerful rich ripe fruit, spicy oak, fine tannins and balanced acid. A wine that could be consumed now, but would benefit from cellaring remarkably.

## **Koehler-Ruprecht Kallstadter Saumagen Riesling**

### **Beerenauslese (375 ml)**

1997 GERMANY \$175

A very limited botrytised dessert wine that will delight the palate with its opulent mouth filling flavours. There is peach, tropical fruits, rockmelon and hints of mint. This wine structure is impeccable and drinks well now, but like its aftertaste will linger seemingly ad infinitum.

**Clyde Bevan**

## **A GREAT VINTAGE**

**The 1990 vintage, with very few exceptions, was a blessing with wine from around the world benefiting from a long hot summer. The wines of Bordeaux are regarded as equal to the sumptuous 82's. California had a very healthy vintage and in Australia the wines from Margaret River, Yarra Valley and The Barossa are, I believe, Australia's best.**

**The awarding of Australia's Penfolds Grange 1990 by the American "Wine Spectator" magazine as "Best Wine in the World" supports the blessed year of 1990.**
