This modern Australian interpretation of a classic English style pale ale is perfectly balanced and easy to drink. With the up front taste of solid malt and yeast characteristics, this brew is sure to leave a sweet yet dry lingering bitterness.

Featuring refreshing flavours of complex malt and citrus, Fisher's Ghost Lager is an amazing combination of New Zealand and German blends. Unfiltered and blessed with a long cold fermentation, this is the perfect summer lager.

This classic German styled Hefeweizen has the perfect balance of yeast flavour to wheatness with hints of spices and a delicate bitterness that beckons you to ask for another glass. The best thirst quenching ale by far.

With a hint of chocolate, this amber ale is the perfect combination of New Zealand hops and English fuggles mixed with cara red and pale malts. The golden colour and sweet aroma makes it the perfect drink all year round.

A modern Australian interpretation of Czechoslovakian Pilsner. Complexity is derived from a blend of Australian, Munich and Weyerman Cara Red Malts and extended cold fermentation. Unfiltered and conditioned for 14 days, this is a crisp, refreshing summertime beer.
