

## Set Menus

Set menus are served banquet style; all the dishes listed are served to the middle of the table for your guests to share. Changing dishes on a set menu to include items from the a la carte menu or seafood menu can only be arranged prior to arrival.

With the exception of vegetarians, due to the number of dishes on each menu only one set menu can be served for the table.

Without prior knowledge, we may not be able to provide a meal for guests with allergies.

*All prices increase by 10% on Sunday, and by 15% on Public Holidays.*
