# Welcome to Vaporetto Bar & Eatery

*'A little slice of Venice in the heart of Melbourne'*

For centuries people have flocked to Venice to soak up it's unrivaled beauty; here at Vaporetto we draw great inspiration everyday from what is surely one of the most uniquely seductive and enchanting cities in the whole world.

This inspiration is evident in what we value most; interesting and delicious food, 'Old School' hospitality' and of course a diverse selection of quality well chosen wines, bespoke cocktails and a unique aperitivi & digestivi culture.

Please take the time to explore our curated list. Wines have been carefully chosen to showcase the best of Australia and Italy. Our extensive back bar covers the world of spirits, liqueurs, aperitivi and digestivi; last but not least our cocktails highlight Venice's rich and colourful history.

**Please ask us for advice, as we're more than happy to guide you through the list.**

## **Cocktails - *Signature***

- Vaporetto Spritz** - As Venetian as the Grand Canal itself! Our secret house recipe for our very own TAP. Spritz. Is this the best Spritz around? You tell us! 16
- Mirtillo Smash** - Springtime is about rejuvenation! A house blueberry liquor takes the show when paired with citrus and sweet, aromatic basil. Served tall, this drink is refreshing, summery and very eye-catching! 18
- Le'ombre** - One of the staff favourites at Vaporetto, featuring a refreshing combination of agave and the finest fruits, red wine and sparkling grapefruit. 14
- Venetian Negroni** - with love from Melbourne, Sardinia and of course Venezia. The original Venetian Aperitivo 'Select' creates a slightly lighter and softer version of the classic Negroni. 20
- Rocco Martini** - With a sidecar of bubbles, it drips with seduction. Anticipate over-exposed vanilla flavours with firm pineapple, dark rum and sweet passion(fruit). 18
- Jamaretto Sour** - The Dead Rabbit is picky with his amaretto sours, and held our bartenders to ransom until someone added his delicious whisky and blackberry jam. 18
- Secret Garden** - A house favourite over the years, a play on a classic Aviation. We celebrate the many stunning gardens that lay hidden across the city of Venice. All things aromatic - Limoncello, elderflower and Crème di Violette. 18

## **Cocktails - Seasonal**

- L'Essenza** - This drink is as mysterious and captivating as 'La Serennisima' itself. 18  
Flavours of cucumber, Gin, citrus and Green Fairy play off the palate ...  
Allow yourself to be seduced!
- Culacino** - In the beautiful Italian language this refers to the ring mark left by 18  
your drink on a hot, sunny day. Served ice cold, this drink defines that phrase,  
With flavours of white Rum, honey, ginger and lemon all topped with beer.
- Via Maris** - meaning the 'The Way of the Ocean', this tricked up version of a 20  
classic Negroni pays homage to Venice's control of the ancient spice trails with the  
addition of coconut & citrus flavours with North African spices.
- Aperitivo di Corte** - A drink fit for a King (or Queen) with complex, floral 18  
flavours of bergamot, elderflower and lavender are finished with fresh mint and citrus.
- Cirque d'Italia** - This playful drink is named after a famous Venetian circus 22  
and is sure to entertain with Bourbon, Creole spices and marshmallow all smoked to finish.
- Giulietta** - Everybody wants to discover their one true love and this drink might 20  
just be yours. This aromatic take on a classic Gin martini uses Camapari, Curacao and  
bitters to spice things up and is bound to steal your heart away!
- Signore Frigo** - Our take on the classic Collins by another name. Its summer all 18  
the way with strawberry infused Gin, Campari and basil all with a soda top.

Established in 2009, Vestal offers an environmentally sustainable alternative to bottled water. It uses a micro-filtration and chilling system to provide crisp, refreshing drinking water, without the carbon footprint of the major mineral water companies.

The company works closely with Sir Richard Branson and the charity 'Whole World Water', by donating a % of their profits. The charity has helped to provide clean drinking water to over 1 billion people world wide.

For this reason we are proud to be working with Vestal here at Vaporetto.
